## PREPARING FOR ADVENT

It may seem that Christmas is still a long way off, but the Advent Season begins just 2 weeks from now on November 29th. There are four Sundays before Christmas Day and each of these Sundays hold their own specific theme:

1. Hope
2. Peace
3. Joy
4. Love

Advent consists of a 4-week journey where Hope builds through the entire Season in anticipation of the Birth of Jesus, the Messiah to the world. As each day draws nearer to December 25th, the peace which people long for comes more clearly into view through seeing God's unstoppable plan of redeeming love. He came to the world for you … to turn your mourning into joy.

Life has complicated moments from time to time. Knowing that God's heart for you is to thrive through experiencing Him personally fills us with hope. Advent is not only the reminder of this … but also the encouragement that God is constantly reaching out to you.

How will you plan to seek Jesus as the Advent Season approaches? It is within our hearts where God speaks to us. Often, it is through turning down the volume of what is around us that allows us to listen more attentively. So, plan to be intentional this Season … seek the Lord through His Word … humbly come before Him in prayer … learn to be patient, quiet and still … and let the Lord pour into your life Hope, Peace, Joy and Peace this Christmas.
